In Memoriam

The Silent, Incomprehensible and Almighty Rules of the Universe have during the past year, entered our County and removed from our midst our Beloved Officials

JUDGE ERI C. OAKES
and
SHERIFF GEORGE W. BROWN

While we bow in humble submission to the Divine Will we deeply feel our loss in being deprived of the society and services of the two officials who were ever loyal, faithful and kind and we trust memory of their noble lives may be a source of inspiration to each of us at all times.

Commissioners' Report

In accordance with the Public Statutes of New Hampshire we, the Commissioners of the County of Coos, herewith present our annual report, together with the Treasurer, Clerk of Court, Solicitor, Sheriff, Superintendent of County Farm, House of Correction and Jail, Physician, Auditors, Priest, and Chaplain.

Time marches on bringing us to the horizon of a new year and leaving us with the experiences, changes and progress of the eventful past. It is in all sincerity and with a deep sense of appreciation we wish to express our gratitude to the citizens throughout the County and to Coos County Delegation for the confidence reposed in us and for their cooperation in authorizing the necessary funds that we may carry out our purpose, that of disseminating the ideals of humanity to those less fortunate, in a safe economic and humane way.

Unfortunately in the fall of 1930 it became necessary for Almon Young, who was serving his tenth year as Superintendent at the farm, to submit to a serious operation, and later advised the Commissioners that he felt it his duty in justice to all concerned to tender his resignation which became effective on June 1st, 1931. As his successor we were very fortunate in securing the services of Mr. and Mrs. Alvah H. Parker, as Superintendent and Matron, coming to us after several years experience in institutional work in the state.

Owing to the industrial condition in the city of Berlin and several of the towns in the county causing much unemployment, a greater demand has been made upon the county for the care and support of men and their families who have been unable to find work, so that the amount of money appropriated for that purpose has been greatly exceeded. An examination of our report will show that in most of the departments we have been able to keep the expense within the appropriations.

In accordance with the vote taken by the County Convention, your Commissioner after advertising sold the entire issue of two hundred thousand dollars of bonds to Chase Harris & Forbes for \$100.80; these bonds are payable \$10,000.00 annually to run twenty years, and the new building for which the

proceeds of the sale of these bonds is to be used is now well under construction and we expect to be able to occupy it early in the spring.

The report of the Superintendent will disclose that an unusually large number of inmates are being cared for and the Alms House is very much over-crowded, and an inspection of the premises would satisfy any one of the wisdom of the action of the County Convention when it was voted to erect a new and larger fireproof building.

We wish to thank all overseers, selectmen, organizations, and all who have in any way assisted in relief measures and again implore you to keep faith a rays of sunshine are already appearing over the horizon of the ensuing year.

Respectfully submitted,

FRANK B. LEWIS,

CLARK E. SWAIL,

A. N. McCREADY,

County Commissioners.

Total cost of supporting inmates and prisoners
at County Farm for year ending December 31, 1931 \$32,128.11

In accordance with Chapter 30, Section 1, Public Statutes, the Superintendent of County Farm shall make up his report to January 1, annually and also Section 2 of said Chapter requires that the Superintendent's report shall contain, in addition, a list of paupers actually supported at the Farm and the number of weeks each was supported, also a statement of the average cost per week for each pauper with an explanation of the basis upon which such calculations were made.

The whole number of persons supported and partially supported for the year ending December 31, 1931 was 263. The number of weeks board is ascertained by taking the number of days between the day of admittance and the day of departure of each individual and dividing that number by seven which gives the total number of weeks each was supported.

The whole cost of supporting paupers at the Farm for the year ending December 31, 1931 was \$32,128.11. This sum divided by the whole number of weeks furnished—7,759 weeks, 5 days give \$4.14 plus, as price per week.

Acknowledgement is hereby made of many thoughtful kindnesses bestowed by the public upon the institution; especially by the Womans Christian Temperance Union and the Mohawk Ice Cream Company.

I wish to thank the chaplains, physicians and employees for their willingness to cooperate with me.

I hereby express deep appreciation of the splendid cooperation manifested toward me by the Board of County Commissioners and of the counsel and advice I have received from them; and have sought to carry out their policies and suggestions, faithfully and conscientiously.

ALVAH H. PARKER,
Superintendent.

Chaplains' Report

To the Commissioners of Coos County:
Gentlemen:

I beg leave to report that during the past year every facility has been given to the Catholic inmates of the county institutions at West Stewartstown to fulfill their religious duties and to receive ministrations and consolations of Our Holy Mother the Church.

I wish to thank Mr. and Mrs. Parker, the Superintendent and Matron, for their cooperation, and also for their solicitude to procure the comfort and welfare of abovesaid inmates.

Respectfully yours,

L. A. RAMSAY,

Catholic Chaplain.

To the Commissioners of the Coos County Farm and Jail:

During the past twelve months the services at the Farm and Jail have continued as in previous years, save with a slight interruption at the latter due to the construction work in connection with the new farm building. Visits have been made on the inmates, and other ministries offered as in the past. The desire has been as ever to bring to needy ones comfort and encouragement from the Word of God, and to point the weak and tempted to the saving grace of the Lord Jesus Christ. "For God sent not His Son into the world to condemn the world; but that the world through Him might be saved."

Respectfully submitted,

H. H. ALBEE.

I have on different occasions advised the County Commissioners and prepared agreements and contracts at their request and as promptly as possible, and due to the large number of pauper cases in Berlin, have been called upon frequently to bring action to deport paupers to other states.

I have investigated each and every complaint that has been made to my office, and trust that each complainant was satisfied with the result of my investigation or action.

During the year I have been present in Court one hundred and twenty days in the various Municipal Courts throughout the County in the prosecution of liquor offenses, on which days from one to four respondents were arraigned, and have attended to all matters referred to my department in both Municipal Courts and Superior Court on notice that my attendance was required.

At the October, 1931 Term of Court, due to a very large number of civil jury cases for trial, I was asked to continue my criminal cases until the April Term, 1932, as all respondents awaiting trial were out on bonds for their appearance from term to term.

The Sheriff's department and local police departments throughout the County have been very ready and willing at all times to assist me in the enforcement of the criminal laws, and I feel that they are doing a fine piece of work in enforcing justice in these trying times.

There are no civil cases pending against the County, and I know of no claims that have been presented against the County during the past year.

Respectfully submitted,

ROBERT RICH, Solicitor.
